

Trinity School Junior Orchestral Day: Sunday 10th October 2021, 10.00am – 5.00pm

I would like to invite your child or children to Trinity School for a fun day of orchestral playing. The standard for the day is grade 2 or above on an orchestral instrument and is open to pupils aged 8-12. Players of a higher standard will also be catered for by a more challenging repertoire. We have a limited number of places for saxophone players, who must be at least grade 3.

Our team for the day will be made up of full-time staff as well as some of our visiting music specialists, all of whom are active performers and distinguished teachers in their own right.

The orchestra will learn new repertoire, to be played at the end of the day in an informal concert. We will be exploring things the children have learned in their instrumental lessons, reinforcing the work of their teachers, as well as introducing new skills, opening new musical avenues and providing new tools. Learning how to play in a big ensemble and being aware of what is going on around you is a great experience, but the most important thing is that they get the chance to make music with like-minded children and, hopefully, have lots of fun.

There is a charge for the day of £20, reduced to £15 for siblings. Your child should bring a packed lunch and any medication that is necessary for the day (e.g. asthma inhalers or epipens). Applications can be made via the Trinity School Website. Places are limited and on a 'first come, first served' basis.

Below is the structure of the day for your reference. As you arrive on the day, please park in the main car park and follow the signs for Registration. At the end you are most welcome to attend our informal concert at 4.00pm, followed by refreshments, where you will have the chance to talk to the staff involved during the day.
