

HENRY Healthy Families programme

We're here to help you give your little ones a great start in life.

The HENRY programme is completely FREE to join for parents and carers of children aged 0 to 7 years old.

The programme provides everything you need to help your little one get off to a great start.

We cover the 5 following themes across 8 weeks:

- Feeling more confident as a parent
- Physical activities for the little ones
- What children and the whole family eats
- Family lifestyle habits
- Enjoying life as a family

Each week there is either an online or in-person session. See below for dates.

You'll also receive a free toolkit with lots of fantastic resources.

The programme is an opportunity to share ideas and experiences with other families in a safe environment.
